**SUBJECT:**

DOCKET NO. 2010-35-W - Application of Pine Haven Water System for Approval of an Establishment of Water Rates and Charges for the Provision of Water Service in Pine Haven Subdivision - Garrett's Landing in York County - Discuss this Matter with the Commission.

**COMMISSION ACTION:**

Move that we approve the establishment of Pine Haven Water System as a NARUC Class C water utility under the statutes and regulations of this Commission, including the proposed service area. I also move that we approve the Settlement Agreement of the parties in this matter, including the schedule of rates and charges set forth in that document and its exhibits, and that we find such rates and charges to be just and reasonable. In addition, I move that we approve a 5.56% operating margin for this Company.
